

Program Details

The PPN is a free listing on the dreamScape website to aid visitors find reliable printers to complete their work on dreamScape media.

The PPN is a reciprocal agreement between Roysons and a print provider that is using dreamscape vinyl print media to print wall murals, wall covering and other related products for residential and commercial applications.

Roysons will list the print provider on its [dreamscapedirect](#) website as a PPN with a direct link to the print providers site. The dreamScape website will display the print providers logo and short description of services with a link to the print providers web page .

The print provider will allow the listed dreamScape link to go directly to the print providers page under "wall covering", "large format", "wall murals" or similar appropriate listing. On this page will be shown the dreamScape PPN logo to identify itself as a dreamScape Print Provider.

There are only a few steps to becoming a PPN.

First, complete the business profile on the following pages and return to:
pspotto@roysons.com

Next, send a printed set of your control prints printed on any **dreamScape** surface to the address below. This is a standard image test from your RIP or any image (no control plots) you use for color control. Send this to:

PPN
Roysons Corp.
40 Vanderhoof Ave.
Rockaway, NJ 07866

We will contact you after we receive your test print to finalize the set up.
